

IT'S ABOUT LOVE

by Brian Goslee

God has a plan for my life
because He loves me

God lets me suffer and grow
because He loves me

God encourages me because
He loves me

God speaks to me because
He loves me

God wants to spend time with
me because He loves me

God lets me experience
discipline because
He loves me

God gave me the freedom to
choose because He loves me

God wants me to be aligned
with His Spirit because
He loves me

God allowed His Son to be
crucified on a cross because
He loves me

God wants the best for me
because He loves me

*So now faith, hope, and love abide,
these three; but the greatest
of these is love.*

1 Corinthians 13:13 (ESV)
